

Chains

We've been strongly reminded of the fact that we're Jews in chains, chained to one spot, without any rights, but with a thousand obligations. One day this terrible war will be over. The time will come when we'll be people again and not just Jews! Who has inflicted this on us? Who has set us apart from all the rest? Who has put us through such suffering? It's God who has made us the way we are, but it's also God who will lift us up again. Who knows, maybe our religion will teach the world and all the people in it about goodness, and that's the reason, the only reason, we have to suffer. Be brave! There will be a way out. God has never deserted our people.
